

Urban Farmer San Jose

Farmscape is seeking an Urban Farmer for San Jose. The Urban Farmer will be responsible for managing corporate and residential gardens. The position involves a 50% split between working independently and alongside a manager.

Location: San Jose

Schedule: Monday - Friday, 7:30am-4:00pm

Status: Full time, non-exempt

Compensation: \$22-\$24 /hr

Benefits: Benefits for full-time employees include: Health insurance, 401(k) plan with employer matching, FSA & Dependent Care plan, Paid vacation, Monthly Smartphone reimbursement.

About Farmscape:

Farmscape designs, installs and maintains beautiful food focused gardens for commercial, community and residential spaces. We are the largest venture of our kind in the country and actively manage 200 gardens across California. Farmscape is committed to creating fair wage jobs and training the next generation of landscape technicians to transform traditional landscapes into water-conscious, vibrant ecosystems.

Job Responsibilities:

- Make weekly maintenance visits to gardens that the farmer manages independently and alongside territory manager
- Manage all aspects of annual vegetable cultivation from planning and planting plots to leaving a harvest for clients
- Keep detailed records during weekly visits
- Maintain relationships with clients, both in-person and via phone/email
- Adhere to Farmscape best practices in managing farms
- Communicate promptly with supervisor regarding supply needs and unexpected garden issues
- Attend staff meetings and training sessions as required
- Represent Farmscape in a friendly and professional manner

Qualifications:

- 1+ year experience with annual vegetable cultivation required
- Valid driver's license and a working vehicle required
- Ability to lift 50lbs
- Ability to perform manual work, lift heavy objects, walk and stand for long periods of time
- Ability to perform physical labor outdoors in various weather conditions
- Related experience in landscaping, fruit tree care, gardening, horticulture is a plus
- Ability to use various apps and technology
- Farm management experience or farmhand work is a plus
- Ability to learn and adapt to Farmscape best practices
- Friendly and clear communicator
- Organizational skills and attention to detail are critical
